

Opening a business in one of the major cities in the United States or Canada

IBM Coursera Capstone Project

Top 5 Cities of USA and Canada

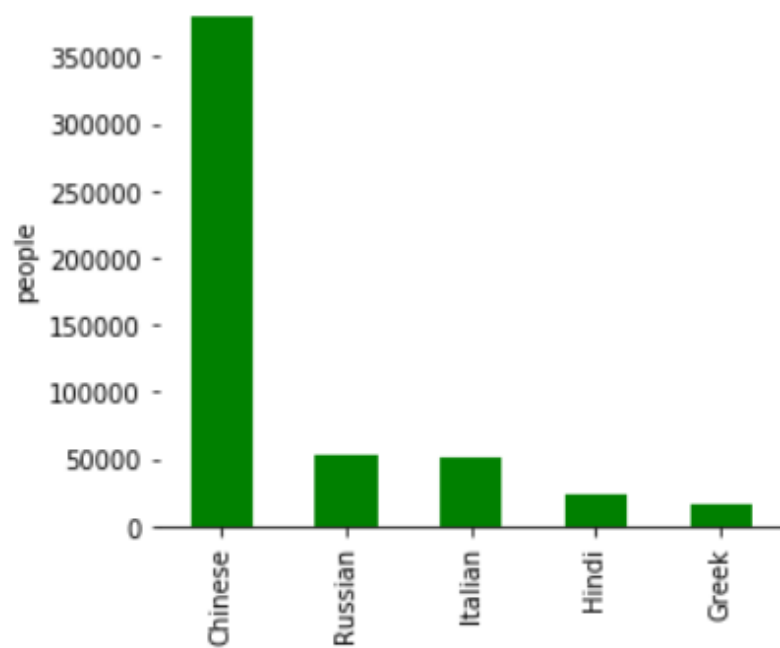

Neighborhoods of the city of Toronto grouped by borough

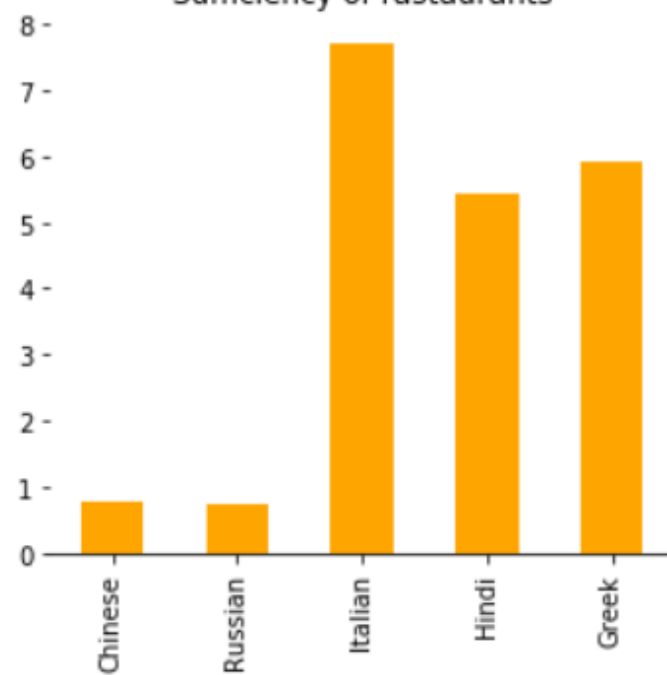

Language	Total	Restaurant Count	Proportion
Chinese	380550	30	0.788333
Russian	53675	4	0.745226
Italian	51815	40	7.719772
Hindi	23995	13	5.417795
Greek	16940	10	5.903188

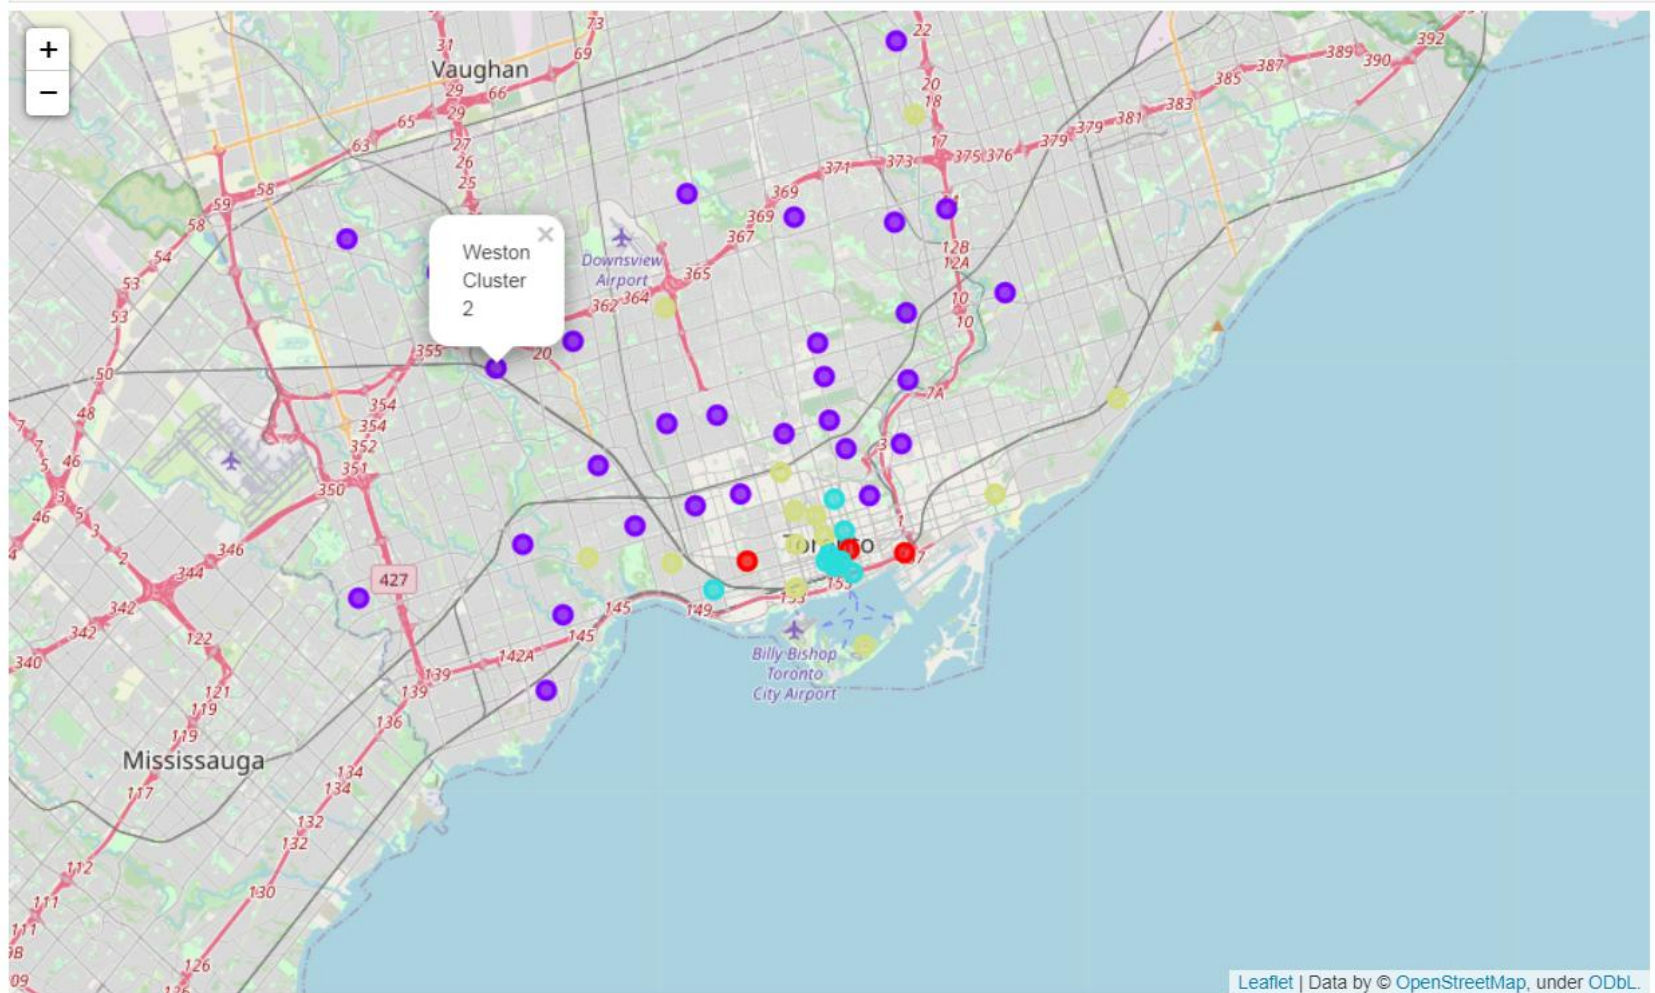

Size ethnic groups

Sufficiency of rastaurants

Neighborhoodg into 4 clusters by the most common venue category.

Conclusion

- Toronto is the most promising city in the coming years to open a business in it among the top five cities in the United States and Canada.
- We conducted an ethnic analysis of five major language groups in Toronto.
- Among the two ethnic groups there is the greatest need to represent their needs in the restaurant business.
- We have identified the most successful areas for choosing a restaurant opening location.
